

A man in a dark suit and blue tie is sitting at a table, holding a yellow pyramid. He is looking towards a young boy in a maroon school uniform and glasses who is also sitting at the table. The background shows a classroom or school setting with posters on the wall. There are other colorful geometric shapes like a green cylinder and a yellow pyramid on the table.

# NPQSL

*“My project has had a dramatic impact on progress and attainment in writing across the school and is now filtering its way through all subjects.”*
