

Outstanding Teaching Assistant Programme (OTAP)

“The OTAP has made me realise that my role is important. I feel more confident and have rediscovered my enthusiasm.”

Sue Feather, Teaching Assistant, Brindley Heath Junior School

The Outstanding Teaching Assistant Programme is for teaching assistants who are, or who have the potential to be, outstanding in their roles. It is intended to develop the potential for Teaching Assistants to have a wider impact on improving the quality of teaching and learning across the school.

Facilitated over 5 half day sessions at Higham Lane and The Polesworth School, OTAP enables teaching assistants to:

- place a greater emphasis on the purpose and value of the lessons they support
- raise levels of engagement and achievement in learning
- use different methods and styles of support to challenge learners
- innovate and take risks
- have a bigger impact on the planning and assessment for the learners they support
- demonstrate a higher level understanding of teaching and learning
