

The Power of Coaching

“The programme has had a massive impact on being able to reflect on my own practice issues. I will use the skills and techniques learnt throughout the school and within the classroom.”

Fiona MacGregor, Stobhillgate First School

The Power of Coaching provides opportunities for delegates to engage in a range of activities and access theories behind effective coaching practices. The programme exemplifies how to implement coaching in a range of professional contexts from the classroom to the training room. This day and a half programme enables delegates to select their own coaching model to articulate to others and links coaching to outstanding practice and how to achieve outstanding learning.

Facilitated over 1 full day & a half day session at The Polesworth School, The Power of Coaching programme:

- links coaching to outstanding practice and how to achieve outstanding learning
- exemplifies how to implement coaching in a range of professional contexts from the classroom to the training room
- enables delegates to select their own coaching model to articulate to others
- provides opportunities for delegates to engage in a range of activities and access theories behind effective coaching practices
- have a bigger impact on the planning and assessment for the learners they support
- demonstrate a higher level understanding of teaching and learning
