

North Warwickshire/South East Staffordshire/Telford & Wrekin Language Leaders' Networking Event

Following on from the success of renowned language specialist, Martine Pillette, we have invited her back to share her expertise in a further two sessions.

Martine is a highly experienced Consultant, Author, Trainer and Examiner. She works at local, regional and national level with schools and academic institutions and associations. Her work spans KS2-KS5 but is mainly in the secondary sector.

Martine is particularly interested in facilitating independent learning through more skill based teaching and learning and through the development of language learning strategies - for example in order to promote creativity and spontaneity or to facilitate the use of authentic resources.

Participation in these sessions are offered free of charge. Please feel free to attend either session or both. You are very welcome. All we ask is that you contact us to let us know you will be attending.

Due to safeguarding reasons, we ask all visitors to bring necessary safeguarding checks have been conducted. School gates will be open to vehicles from 3.15.

Look forward to seeing you.
